REMARKS

Applicants appreciate the Examiner's thorough examination of the present application as evidenced by the Office Action of October 24, 2003 (hereinafter "Office Action").

Applicants especially appreciate the allowance of Claims 6 - 24, and the indication that dependent Claims 26 and 27 recite patentable subject matter. In response, to advance prosecution and to facilitate an early allowance of the present application, Applicants have amended independent Claim 25 to incorporate the recitations of dependent Claim 26 and have written dependent Claim 27 in independent form. In addition, Applicants have added new dependent Claim 29, which corresponds to dependent Claim 28, but depends from new Claim 27.
